SANITARY AND TOWN PLANNING DIVISION.

Dated 7th February 1928.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Sanitary and Town Planning Division, up to the 12 noon of 20th February 1928, for the supply of Galvanized Iron pipes and fittings required for Water Supply to Rudrapada at Kalasa. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 31st March 1928.

2. The plans, detailed estimate and condition may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M., on all working days.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit F. O. R. Chikmagalur Out Agency

4. Each tender must be accompanied by a deposit of Rupees 50 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for the supply of Galvanized Iron pipes and fittings" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. In all matters of disputes not specially provided for and in all matters of disputes about rates, quantities, measurements and quality of work and in all disputes of any kind, the decision of the Chief Engineer, will be final and legally binding.
